CSULB Foundation Employee Handbook

101 NATURE OF EMPLOYMENT

Policies set forth in this handbook are not intended to create a contract, nor are they to be construed to constitute contractual obligations of any kind or a contract of employment between the employer and any of its employees. The provisions of the handbook have been developed at the discretion of management and may be amended or canceled at any time, at the organization's sole discretion. The California State University, Long Beach Foundation (Foundation) is not a co-employer with any other organization. Employment with the Foundation rests solely with the Foundation, and provides no rights or benefits of employment or any other kind, with any other organization. This includes, but is not limited to: California State University Long Beach (CSULB), the State of California, or the sponsoring organizations of any programs administered by the Foundation.

Employment with the Foundation is at the mutual consent of the employer and the employee, and is subject to termination or modification by either party at will, with or without cause or advance notice.

These provisions supersede all existing policies and practices and may be amended or added to only in writing by the Director of Human Resources or Executive Director of the Foundation.

103 EQUAL EMPLOYMENT OPPORTUNITY

It is the policy of this organization that employment decisions shall be based on merit, qualifications, and competence. Except where required or permitted by law, employment practices shall not be influenced or affected by virtue of an applicant's or employee's race, color, religion, national origin, sex, sexual preference, marital status, pregnancy, age, disability, physical handicap, ancestry, medical condition (cancer related and other disabling medical condition), veteran's status or any other characteristic protected by law. In addition, it is the Foundation's policy to provide an environment that is free of unlawful harassment of any kind, including that which is sexual, age-related or ethnic. This policy governs all aspects of employment, promotion, demotion, assignment, discharge, and other terms and conditions of employment. Further, it is the Foundation's policy to provide reasonable accommodations to those employees or applicants requiring such arrangements.

The CSULB Foundation has established an affirmative action program to initiate and promote equal employment opportunities throughout the organization. A complete outline of this program is available in the Human Resources Office.

105 HIRING OF RELATIVES

It is the Foundation's policy that relatives of persons currently employed by the organization may be hired only if they will not be working directly for or supervising a relative. If already employed, employees cannot be transferred into such a reporting relationship. If the relative relationship is established after initial employment, the individuals concerned will have 30 days to decide who is to be transferred or, if a transfer is not available, who will resign. If that decision is not made within 30 days, the Foundation Director of Human Resources will decide.

CSULB Foundation Employee Handbook

In other cases where a conflict or the potential for conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment or terminated from employment.

For the purposes of this policy, a relative is defined to include spouse, parents, children, brothers, sisters, brothers and sisters-in-law, fathers and mothers-in-law, stepparents, step-siblings, and stepchildren. This policy also applies to individuals who are not legally related but who reside with another employee.

106 PRE-EMPLOYMENT PHYSICAL EXAMINATIONS

It is the Foundation's policy that relatives of persons currently employed by the organization may be hired only if they will not be working directly for or supervising a relative. If already employed, employees cannot be transferred into such a reporting relationship. If the relative relationship is established after initial employment, the individuals concerned will have 30 days to decide who is to be transferred or, if a transfer is not available, who will resign. If that decision is not made within 30 days, the Foundation Director of Human Resources will decide.

In other cases where a conflict or the potential for conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment or terminated from employment.

For the purposes of this policy, a relative is defined to include spouse, parents, children, brothers, sisters, brothers and sisters-in-law, fathers and mothers-in-law, stepparents, step-siblings, and stepchildren. This policy also applies to individuals who are not legally related but who reside with another employee.

108 CONFLICTS OF INTEREST

An actual or potential conflict of interest occurs when an employee is in a position to influence a decision which may result in a personal gain for that employee or a relative as a result of the Foundation's business activities. For the purpose of this policy, a relative is any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage.

If an employee has any influence on transactions involving purchases, contracts, or leases, it is imperative that he or she disclose as soon as possible the existence of any actual or potential conflict of interest to an officer of the Foundation so that safeguards can be established to protect all parties.

Personal gain may result not only in cases where an employee or relative has a significant ownership in a firm with which this organization does business but also when an employee or relative receives any special consideration, substantial gift, kickback, or bribe as a result of any transaction or business dealings involving the organization.

CSULB Foundation Employee Handbook

The materials, products, designs, plans, ideas, and data of this organization are the property of the Foundation and should never be given to an outside firm or individual except through normal channels and with appropriate authorization. Any improper transfer of material or disclosure of information, even though it is not apparent that an employee has personally gained by such action, constitutes unacceptable conduct.

110 OUTSIDE EMPLOYMENT

Employees may hold jobs outside of their Foundation employment as long as they meet the performance standards of their job with the Foundation. All employees will be judged by the same performance standards and will be subject to the Foundation's scheduling demands regardless of any existing outside work requirements.

If the Foundation determines that an employee's outside work interferes with performance or the ability to meet the requirements of this organization as they are modified from time to time, the employee will be asked to terminate the outside employment if he or she wishes to remain with this organization.

Outside employment that constitutes a conflict of interest is prohibited. Employees may not receive any income or material gain from an individual(s) or organizations outside of the Foundation for materials produced or services rendered while performing their jobs for the Foundation.

112 NON-DISCLOSURE

The protection of confidential business information and trade secrets is vital to the interest and the success of the Foundation. Such confidential information includes but is not limited to the following:

- Compensation data
- Customer/Vendor lists
- Donor Names/Information
- Employee data
- Financial information
- Labor relations strategies
- New materials research
- Pending projects and proposals
- Research and development strategies
- Scientific data/formulae/prototypes

Any employee who discloses trade secrets or confidential business information in any manner other than through approved channels or without proper management authorization, will be subject to disciplinary action (including possible discharge), even if he or she does not actually benefit from the disclosed information.

201 EMPLOYMENT CATEGORIES

The following employment categories define the employment classifications applicable to work at the Foundation. Employment status and benefit eligibility depend on the category of employment:

(FTR) FULL-TIME REGULAR - The employee regularly works between 30 to 40 hours per week.

(PTR) PART-TIME REGULAR - The employee regularly works between 20 to 29 hours per week.

(SHR) SHORT HOUR REGULAR - The employee works under 20 hours per week.

CSULB Foundation Employee Handbook

during summer session if they are accepted for admission for the following fall semester or were enrolled for the prior spring semester. Students may work up to 40 hours per week during summer and intersession.

202 ACCESS TO HUMAN RESOURCES FILES

Human Resources files are the property of the Foundation, and access to the information they contain is restricted. Generally, only Human Resources Representatives and officials of the employer who have legitimate reason for reviewing information in a file are allowed to do so. With reasonable written request to the Director of Human Resources, an employee may review material in his or her file. Files may only be reviewed in the Foundation Human Resources Department and in the presence of a Human Resources Representative.

203 EMPLOYMENT REFERENCE INQUIRIES

The Human Resources Department will respond to all reference inquiries from other employers and/or creditors. Responses to such inquiries will confirm only dates of employment and position(s) held. A written authorization from the employee is required to release any other information not listed above.

204 HUMAN RESOURCES DATA CHANGES

It is the responsibility of each employee to promptly notify the Human Resources Department of any changes in personal data.

Personal mailing addresses, telephone numbers, number and names of dependents, individuals to contact in the event of an emergency, beneficiaries, educational accomplishments, and other such status reports should be kept accurate and current at all times.

205 INTRODUCTORY PERIOD

An employee should use the initial period after being hired or rehired to determine whether the new position meets his or her expectations. The Foundation uses this period to evaluate employee capabilities, attitude and work habits. Either the employee or the employer may end the employment relationship at will at any time during or after the introductory period, with or without cause or advance notice.

All new and rehired employees work on an introductory basis for the first 180 calendar days after their date of hire or rehire. Any significant absence of two weeks or more will automatically extend the introductory period by the length of the absence. If the Foundation determines that the designated introductory period does not allow sufficient time to thoroughly evaluate the employee, the employer may extend the introductory period for a specified period.

Employees are eligible for employer-provided benefits according to the terms and conditions of each program. Introductory employees will assume "regular" status upon satisfactory completion of the introductory period. Satisfactory completion of the introductory period and advancement to "regular" status shall not be construed as a right to permanent employment.

CSULB Foundation Employee Handbook

208 EMPLOYMENT APPLICATIONS

The Foundation relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omission of information on the application may result in the Foundation's exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment at any time.

209 PERFORMANCE EVALUATIONS

Supervisors and employees are strongly encouraged to discuss job performance and goals on an informal, day-to-day basis. For regular employees, a formal written performance evaluation will be conducted at the end of an employee's initial six (6) months period of hire, known as the introductory period. Additional formal performance reviews are conducted annually to provide both supervisors and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches to meeting goals. Supervisors may find it necessary to conduct interim evaluations to either correct or praise various areas of performance.

301 EMPLOYEE BENEFITS

Employees of the Foundation are provided a wide range of benefits. A number of the programs (such as Social Security, workers' compensation, state disability, and unemployment insurance) cover all employees in the manner prescribed by law.

Benefits eligibility is dependent upon a variety of factors, including employee classification. The Foundation Human Resources Department can identify the programs for which you are eligible. Details of many of these programs can be found elsewhere in the employee handbook or through the Human Resources Department.

The following benefit programs are available to eligible employees:

3. Full-time students may opt for exemption from FICA.
4. Additional information about these benefits can be found in a separate benefits explanation pamphlet available in the Foundation Human Resources Department.
5. Employees become eligible to enroll in this program on January 1st following six months of employment within an eligible category.

302 WORKERS' COMPENSATION INSURANCE

The Foundation provides a comprehensive workers' compensation insurance program at no cost to employees. This program covers any injury or illness sustained in the course of employment that requires medical, surgical, or hospital treatment. Subject to applicable legal requirements,

CSULB Foundation Employee Handbook

workers' compensation insurance provides benefits after a short waiting period, or, if the employee is hospitalized, immediately.

An employee who sustains a work-related illness or injury must inform the Foundation Human Resources Department immediately. No matter how minor an on-the-job illness or injury may appear, it is important that it be reported immediately. This will enable an eligible employee to qualify for coverage as quickly as possible and it will alert your employer to potential workplace hazards.

303 VACATION BENEFITS

The following employee classifications are eligible for vacation benefits according to the guidelines set forth in this policy:

Full-time Regular (FTR) Employees

Part-time Regular (PTR) Employees

Vacation hours accrue each pay period to the employee based on the employee's classification, hours worked during the pay period, and years of service. Employees will not accrue more than the maximum allocated accrual for any one pay period. No vacation accrual will be earned by an employee working less than 40 hours in a pay period, or during an unpaid leave of absence.

Vacation pay will be calculated based on the employee's straight-time pay rate (in effect when vacation benefits are used) times the number of hours the employee would otherwise have worked on the day(s) of absence. Vacation pay does not include shift differentials, incentive pay, bonuses, or other special forms of compensation. Vacation benefits for exempt employees will be based on their normal wages.

Employees who have satisfied all eligibility requirements may submit vacation requests to his or her supervisor. Requests will be evaluated by the supervisor based upon various factors, including anticipated operating requirements and staffing considerations during the proposed absence.

Employees are strongly encouraged to take earned vacation during the year following its accrual. For security reasons, employees who, in the opinion of their Project Director/Supervisor or Director of Human Resources, occupy sensitive positions, may be required to take a minimum of five (5) consecutive days of vacation each calendar year.

Upon termination of employment, employees will be paid for vacation benefits which have accrued through the last day of work.

Employees may accrue vacation hours up to the maximum allowed under their classification. Vacation benefits will be awarded to eligible employees according to the following schedules:

305 HOLIDAYS

The Foundation will grant holiday time off to all employees for the holidays listed below:

- Martin Luther King, Jr. Day (third Monday in January)
- Caesar Chavez Day (March 31st; or observance on closest business day, Friday or Monday)
- Memorial Day (last Monday in May)
- Independence Day (July 4)
- Labor Day (first Monday in September)
- Veteran's Day (November 11)
- Thanksgiving (fourth Thursday in November)
- Christmas/New Year's Break (December 25-January 1)

According to applicable restrictions, the Foundation will grant paid holiday time off to all eligible employees immediately upon assignment to an eligible employment classification. Holiday pay will be calculated based on the employee's straight-time pay rate (as of the date of the holiday) times the number of hours the employee would otherwise have worked on that day. Eligible employee classifications:

- Full-time Regular (FTR)
- Part-time Regular (PTR)
- Short Hour Regular (SHR)

A recognized holiday that falls on a Saturday will be observed on the preceding Friday. A recognized holiday that falls on a Sunday will be observed on the following Monday.

If a recognized holiday falls during an eligible employee's paid absence (e.g. vacation, sick leave), holiday pay will be provided instead of the paid time off benefit that would otherwise have applied. If a recognized holiday falls during an eligible employees unpaid absence (e.g. unpaid leave of absence), the holiday pay will be unpaid.

If an eligible employee works on a recognized holiday, he or she will receive paid time off for the hours worked on the holiday.

Paid time off for holidays will not be counted as hours worked for the purposes of determining overtime.

CSULB Foundation Employee Handbook

306 OTHER PAID ABSENCES (OPA)

The employer provides OPA benefits to all eligible employees for periods of temporary absence due to illnesses, injuries, personal time off, medical, vision, or dental appointments. Eligible employee classifications:

- Full-time Regular (FTR)
- Part-time Regular (PTR)

OPA hours accrue each pay period based on the hours an employee works during the pay period. Employees working an 80 hour pay period will accrue 3.70 hours of OPA. The accrued rate will be prorated for employees working between 40 to 79 hours in a pay period. No OPA accrual will be earned by an employee working less than 40 hours in a pay period, or during an unpaid leave of absence.

Employees who are unable to report to work due to an illness or injury must make every effort to notify their supervisor before the scheduled start of their shift. In circumstances where an employee cannot notify his or her supervisor prior to the start of their shift, notification must be made within two hours after the start of the shift to be considered a reported absence. The supervisor must also be contacted each day the employee is absent. If an employee is absent for three or more consecutive days due to illness or injury, a physician's statement must be provided verifying the nature of the disability and its beginning and expected ending dates. Such verification may be requested by the Human Resources Department for other sick leave absences of any length as well and may be the basis for payment authorization of OPA benefits. Before returning to work from a sick leave absence of three calendar days or more, an employee must provide a physician's verification indicating that he or she may safely return to work.

OPA benefits will be calculated based on the employee's base pay rate at the time of the absence and will not include any special compensation, such as incentives, commissions, bonuses, or shift differentials. OPA benefits may be used to supplement any state disability insurance or worker's compensation benefits that an employee is eligible to receive. The combination of any such disability payments and OPA benefits cannot exceed the employee's normal earnings.

Upon termination of employment, employees will be paid (at their current rate at the time of termination) for OPA benefits that have accrued through the last day of work.

308 TIME OFF TO VOTE

The Foundation encourages employees to fulfill their civic responsibilities by voting. If an employee is unable to vote in a statewide election during his or her non-working hours, the Foundation will grant up to two hours of paid time off to vote. Employees must request time off to vote from their supervisor at least two working days prior to election day so that necessary time off to vote can be scheduled at the beginning or end of the work shift, whichever provides the least disruption to normal work operations.

CSULB Foundation Employee Handbook

Employees must submit a voter's receipt on the first working day following the election in order to qualify for paid time off.

309 BEREAVEMENT LEAVE

If an employee wishes to take time off due to death of an immediate family member, the employee must notify his or her supervisor immediately. Unpaid time off may be granted to allow the employee within any employment category to attend the funeral and make any necessary arrangements associated with the death.

Up to two days of paid bereavement leave may be provided for in-state funerals, and up to three days paid bereavement leave may be provided for out-of-state funerals to eligible employees in the following classifications:

- Full-time Regular (FTR)
- Part-time Regular (PTR)
- Short Hour Regular (SHR)

Bereavement pay is calculated based on the base pay that an employee would otherwise have earned had he or she worked on the day of the absence.

Approval of bereavement leave will occur in the absence of unusual operating requirements. An employee may, with supervisor's approval, use any available paid leave for additional time off as necessary.

The Foundation defines "immediate family" as the employee's spouse, parent, child, sibling; the employee's spouse's parent, child, or sibling; the employee's child's spouse; grandparents or grandchildren. Special consideration will also be given by the Foundation Director of Human Resources to any other person whose association with the employee was similar to one of the above named relationships.

311 JURY DUTY

The Foundation encourages employees to fulfill their civic responsibilities by serving jury duty when required. Employees in an eligible classification may request up to 20 days of paid jury duty leave in any 24 month period. Jury duty pay will be calculated on the employee's base pay rate times the number of hours the employee would otherwise have worked during the absence. Employee classifications that qualify for paid jury duty leave:

- Full-time Regular (FTR)
- Part-time Regular (PTR)
- Short Hour Regular (SHR)

CSULB Foundation Employee Handbook

If an employee is required to serve jury duty beyond the period of paid jury duty leave, he or she may use any available paid time off (for example, vacation/OPA benefits) or may request an unpaid jury duty leave of absence.

Employees must provide a copy of the jury duty summons to their supervisor and the Foundation Human Resources Department as soon as possible so that the supervisor may make arrangements to accommodate the employee's absence. The employee is expected to report for normal work duties whenever the court schedule permits.

Either the Foundation or the employee may request an excuse from jury duty if, in the judgment of the Director of Human Resources, the employee's absence would create serious operational difficulties.

The Foundation will continue to provide insurance benefits until the end of the month in which the unpaid jury duty leave begins. At that time, employees must pay the full cost of their insurance benefits (medical, vision, dental, and life insurance benefits). The Foundation will resume payment of the costs of insurance benefits when the employee returns to active employment.

Accrual for benefits calculation, such as vacation, OPA, or holiday benefits, will be suspended during unpaid jury duty leave and will resume upon return of the employee to active employment.

312 WITNESS DUTY

The Foundation encourages employees to appear in court for witness duty whenever summoned.

Employees will be granted unpaid time off for absences due to witness duty. Employees are free to use any available paid leave benefits (vacation or OPA benefits) to receive compensation for the period of this absence.

A copy of the witness summons must be provided to the employee's supervisor and the Foundation Human Resources Department immediately after it is received so that operating requirements can be adjusted, where necessary, to accommodate the employee's absence. The employee must report for normal work duties whenever the court schedule permits.

If the employee has been summoned as a witness of the Foundation as a result of a job-related event, he or she will receive paid time off for the entire period of witness duty.

380 EDUCATIONAL ASSISTANCE

In accordance with the guidelines set forth in this policy, the Foundation will provide educational assistance to eligible employees who wish to pursue course work which is applicable to their job duties with the organization. Eligible employee's classifications are:

- Full-time Regular (FTR)

CSULB Foundation Employee Handbook

- Part-time Regular (PTR)
- Short Hour Regular (SHR)

Interested employees must complete and submit a Request for Educational Assistance form (available in the Foundation Human Resources Department) to their supervisor for consideration. An employee who receives approval for his or her educational assistance may, upon proof of successful completion of each course*, receive reimbursement for registration fees up to six units of undergraduate/graduate instruction each academic semester. The reimbursement rate is equivalent to the prevailing part-time undergraduate/graduate degree rate at CSULB. Since this benefit is solely funded by direct program funds, approval is contingent upon availability of funds, and/or program sponsor approval. Written approval for Educational Assistance must be received prior to course enrollment.

Employees who wish to take classes during normal business will either be required to make up the time spent away from work during the normal shift or they use accrued vacation or OPA hours in order to be compensated. In cases where the Foundation or Project Director request that the employee attend a class, the employee will be compensated at their regular rate of pay during the class attendance.

* Proof for this purpose is defined as a copy of the student's grade transcript indicating a passing grade for the class.

381 AMERICAN EXPRESS CORPORATE CARD

The Foundation participates in the American Express Corporate Card Program. Employees within the following classifications may apply for American Express Corporate Card membership:

- Full-time Regular (FTR)
- Part-time Regular (PTR)
- Short Hour Regular (SHR)

This program features all of the normal benefits of a regular American Express membership but without an annual membership fee. Membership applications are processed by American Express and are subject to their normal membership guidelines. Individual and program membership is subject to cancellation at any time at the discretion of American Express and/or the Foundation. Corporate Card membership is only valid during employment with the Foundation.

382 CREDIT UNION

All Foundation employees are eligible to join the Long Beach Schools Federal Credit Union. The Credit Union offers a wide variety of financial services. Some of these services include: interest earning checking (draft) and savings accounts; VISA cards, automatic teller cards (accessible through the STAR SYSTEM; the PLUS SYSTEM and the CO-OP), as well as automobile , mortgage, personal and other types of loans.

CSULB Foundation Employee Handbook

383 DIRECT DEPOSIT

Many Foundation Employees enjoy the benefits of Direct Deposit. By completing and submitting the appropriate authorization form to the Foundation Payroll Department, the Foundation will automatically deposit the net amount of the employee's check into the bank, credit union, or other financial institution account designated by the employee. Deposits will normally reach the designated institution on or before scheduled paydays. Employees should ensure that the designated institution is capable of accepting electronic transfers (most are). On paydays employees will still receive a check stub along with confirmation of deposit.

401 TIMEKEEPING

Accurately recording time worked is the responsibility of every employee. Federal and state laws require the employer to keep an accurate record of time worked in order to calculate employee pay and benefits. Time worked is all the time actually spent on the job performing assigned duties.

Tampering with, altering or falsifying your own or anyone else's time records, or recording time on another employee's time record may result in disciplinary action, including discharge.

A non-exempt employee should report to work no more than ten minutes prior to their scheduled starting time nor stay more than ten minutes after their scheduled stopping time, without express, prior written authorization from his or her supervisor.

It is the employee's responsibility to sign his or her timecard to certify the accuracy of all time recorded. The supervisor is responsible for reviewing and signing the approval of timecard before submitting it for payroll for processing.

403 PAYDAYS

All employees are paid bi-weekly (every other Friday). Each paycheck will include earnings for all work performed through the end of the previous payroll period.

In the event that a regular scheduled payday falls on a day that the Foundation is closed (e.g. holiday), employees will receive pay on the last day of work before the regularly scheduled payday.

405 EMPLOYMENT TERMINATION

Since employment with the CSULB Foundation is based on mutual consent, both the employee and the employer have the right to terminate employment at will, with or without cause, or advance notice at any time. Terminations are an inevitable part of personnel activity within any organization, and many of the reasons for termination are routine. Below are examples of some of the most common circumstances under which employment is terminated:

- **RESIGNATION** - employment termination initiated by an employee who chooses to leave the organization voluntarily.

CSULB Foundation Employee Handbook

- DISCHARGE - employment termination initiated by the Foundation.
- LAYOFF - employment termination initiated by the Foundation for non-disciplinary reasons.
- RETIREMENT - voluntary retirement from active employment status initiated by the employee.

Employees will receive their final pay in accordance with applicable state laws.

Employee benefits will be affected by employment termination. All accrued, vested benefits that are due and payable at termination will be paid. Some benefits may be continued at the employee's expense if the employee so chooses. The employee will be notified in writing of the benefits that may be continued and of the terms, conditions, and limitations of such continuance.

408 PAY ADVANCES

Neither pay advances nor extensions of credit against unearned wages will be provided to employees.

If a regular payday falls during an employee's vacation, the employee's paycheck will be mailed to the employee's home address or, if so requested in writing, be available in the Foundation Payroll Office upon his or her return from vacation.

409 ADMINISTRATIVE PAY CORRECTIONS

The Foundation takes all reasonable steps to assure that employees receive the correct amount of pay in each paycheck and that employees are paid promptly on the scheduled payday.

In the unlikely event that there is an error in the amount of pay, the employee should promptly bring the discrepancy to the attention of the Foundation Payroll Office so that corrections can be made promptly.

If underpayments are identified, the employee's next regular paycheck will be adjusted to include the corrected amount and any back pay due the employee.

Overpayments will also be corrected in the next regular paycheck unless this presents a burden to the employee such as when a substantial amount is owed. In that case, the Foundation will attempt to arrange a schedule of repayments with the employee to minimize the inconvenience to the employee and the Foundation.

410 PAY DEDUCTIONS AND SET-OFFS

The law requires that employers make certain deductions from every employee's compensation. Among these are applicable federal, state, and local income taxes. The employer also must deduct Social Security and Medicare taxes on each employee's earnings up to a specified limit

CSULB Foundation Employee Handbook

that is called the Social Security/Medicare "wage base."* The employer matches the amount of Social Security and Medicare taxes paid by each employee.

In addition to the programs and benefits required by law, the Foundation offers other elective programs and benefits beyond those required by law. Employees who wish to participate in these programs may voluntarily authorize deductions from their checks.** If an employee does not understand why deductions were made or how they were calculated the Foundation Payroll Office can assist in answering his or her questions.

Pay set-offs are pay deductions taken by the employer, usually to help satisfy a debt or obligation (such as judgments, garnishments, and tax levies) owed to the employer or others.

Full-time students may opt for exemption from Social Security and Medicare taxes. Students interested in this option should contact the Foundation Human Resources Department.

** Participation in these programs may be limited to specific employment classifications.

501 SAFETY

Establishment and maintenance of a safe work environment is the shared responsibility of the Foundation and employees of all levels. The Foundation will attempt to do everything within its control to assure a safe environment and compliance with federal, state, and local safety regulations. Employees are expected to obey safety rules and to exercise caution in all their work activities. Unsafe conditions must be promptly reported to an employee's supervisor. Not only supervisors, but employees at all levels of the organization are expected to correct unsafe conditions as quickly as possible.

All illnesses and injuries occurring in the workplace must be reported to the Foundation Human Resources Department immediately; regardless of how insignificant the illness or injury may appear. Such reports are necessary to comply with laws and initiate liability and worker's compensation insurance procedures.

501.1 EXPOSURE CONTROL PLAN FOR OCCUPATIONAL EXPOSURE TO BLOODBORNE PATHOGENS

The Foundation Exposure Control Plan for Occupational Exposure to Bloodborne Pathogens is designed to protect employees from infectious disease resulting from exposure to potentially infectious materials. This plan shall apply to Foundation employees in any job classification assigned to a worksite where potentially infectious materials are received, collected, used, or stored. This plan shall also apply to Foundation employees in any job classification whose job may periodically bring them in contact with potentially infectious materials.

Potentially infectious materials shall include, but are not limited to:

- Blood Human blood, human blood components, and products made from human blood.

CSULB Foundation Employee Handbook

- Contaminated Laundry, which has been soiled with blood or other potentially infectious materials or may contain sharps.
- Contaminated Sharps, any contaminated object which can penetrate the skin including, but not limited to, needles, scalpels, broken glass, broken capillary tubes, and exposed ends of dental wires.

Other Potentially Infectious Materials:

- The following human body fluids: semen, vaginal secretions, cerebrospinal fluid, synovial fluid, pleural fluid, pericardial fluid, peritoneal fluid, amniotic fluid, saliva in dental procedures, and other body fluid that is visibly contaminated with blood such as saliva or vomits, and all body fluids in situations where it is difficult or impossible to differentiate between body fluids such as emergency responses;
- Any unfixed tissue or organ (other than intact skin) from a human (living or dead); and,
- HIV-containing cell or tissue cultures, organ cultures, and HIV- or Hepatitis B Virus (HBV)-containing culture medium or other solutions; and blood, organs, or other tissues from experimental animals infected with HIV or HBV.

For further information, or to receive a complete copy of the Plan, please contact the Human Resources Department.

502 WORK SCHEDULES

The Foundation retains the right to vary work schedules according to its needs. Employee work schedules may vary throughout the organization. Supervisors will advise employees of each employee's work schedules.

504 USE OF PHONE AND MAIL SYSTEMS

Employees may be required to reimburse the Foundation for any charges resulting from personal use of the telephone or fax.

The use of employer paid postage for personal correspondence is not permitted.

To assure effective telephone communications, employees should always speak in a courteous and professional manner. Upon answering the phone, employees should state their name and their department. Please confirm information received from the caller, including the phone number of the caller in case a reply is needed, and hang up only after the caller has done so.

Proper telephone etiquette also requires providing callers with a human response whenever possible. During normal business hours all phones should be answered within three rings. When an employee is away from the normal workstation it is recommended that the phone be diverted to another employee who is informed of the absent employee's whereabouts. Voice mail should only be used during meal periods and outside normal business hours.

505 SMOKING

In keeping with the Foundation's intent to provide a safe and healthful work environment, the Foundation observes the University's "Policy for a Smoke-Free Campus Environment" as approved by the President of California State University, Long Beach on June 1, 1989. An excerpt of that policy follows:

California State University, Long Beach has a responsibility to provide employees and students with a safe working and learning environment. Given the fact that smoking is the most significant cause of premature and preventable death in the United States today, California State University, Long Beach is declared to be a "smoke-free" campus in accordance with the Governor's Executive Order D-62-87, Government Code Section 19262.

Effective the first day of the fall 1989 semester, this "smoke-free" policy shall apply to all state-owned, University and Foundation operated facilities regardless of location. This policy does not include public performances in which smoking is an integral and necessary part of those performances. Smoking is prohibited in all indoor areas, including but not limited to:

- Administrative offices theaters waiting rooms
- Private offices lobbies reception areas
- Laboratories hallways university vehicles
- Classrooms stairwells machine shops
- Conference rooms restrooms elevators
- Auditoria libraries food service areas
- Lounges clinics

Where outdoor seating is provided adjacent to indoor food service facilities, non-smoking sections must be designated and posted. In addition, no smoking is permitted within 25 feet of a building entrance or air intake system.

The success of this policy depends upon the thoughtfulness, consideration, and cooperation of everyone. All employees share in the responsibility for adhering to and enforcing this policy. Any problems should be brought to the attention of the Foundation Human Resources Department. There shall be no reprisal against anyone seeking assistance in enforcing this policy.

506 REST AND MEAL PERIODS

Each work day, employees are allowed one rest period of 15 minutes in length and to the extent possible, following each four hour work period. Rest periods should be coordinated to maintain office coverage. Since this time is counted and paid as time worked, employees must not be absent from their workstations beyond the allotted rest period time.

CSULB Foundation Employee Handbook

All employees are provided with one meal period of at least 30 minutes in length each work day that exceeds six (6) hours. Supervisors will schedule meal periods to accommodate operating requirements. Meal periods must be taken within the first five hours of the employees work schedule. Employees will be relieved of all active responsibilities and restrictions during meal periods and will not be compensated for that time.

TOTAL WORK SCHEDULE

| NUMBER OF (HOURS) | REST PERIODS | MEAL PERIODS |
|-------------------|--------------|--------------|
| less than 3.5 | 0 | 0 |
| 3.6 to 4.0 | 1 | 0 |
| 4.1 to 6.0 | 1 | 0 |
| 6.1 to 8.0 | 2 | 1 |

Over 8.0 - use formula of one rest period per 4.0 hours of work and one meal period per 6.1 hours of work.

Rest and meal periods may not be accumulated and may not be taken in the initial or final half hour of a work schedule.

507 OVERTIME

When operating requirements or other needs cannot be met during regular working hours, employees will be given the opportunity to volunteer for overtime work assignments. However, in instances where an insufficient number of employees volunteer, a supervisor may require employees to work overtime. All overtime work must receive the supervisor's prior authorization. Overtime assignments will be distributed as equitably as practical to all employees qualified to perform the required work.

Exempt employees are not eligible for overtime. Overtime compensation is paid to all non-exempt employees at the following rate(s) and in accordance with prevailing federal and state laws:

- One and one-half times straight-time rate for all hours over 8 in a workday.
- Two times straight-time rate for all hours over 12 in a workday.
- One and one-half times straight-time rate for all hours over 40 in a workweek.
- Two times straight-time rate for all hours over 8 on the 7th consecutive workday.

CSULB Foundation Employee Handbook

As required by law, overtime pay is based on actual hours worked. Time off on sick leave, vacation leave, or any leave of absence will not be considered hours worked for purposes of performing overtime calculations.

Employees who work overtime without receiving prior authorization from their supervisor may be subject to disciplinary action up to and including possible discharge.

508 USE OF EQUIPMENT AND VEHICLES

Equipment and vehicles essential in accomplishing job duties are expensive and may be difficult to replace. When using Foundation property employees are expected to exercise care, perform required maintenance, and follow all operating instructions, safety standards, and guidelines.

Each employee is expected to notify his or her supervisor if any equipment, machines, tools, or vehicles appear to be damaged, defective, or in need of repair. Prompt reporting of damages, defects, and the need for repairs could prevent deterioration of equipment and possible injury to employees or visitors. Each supervisor can answer any questions about an employee's responsibility for maintenance and care of equipment or vehicles used on the job.

The improper, careless, negligent, destructive, or unsafe use or operation of equipment or vehicles or the use of Foundation equipment or vehicles for personal use may result in disciplinary action, including discharge.

An employee who regularly uses University or Foundation- owned vehicles, or his or her personal vehicle in the conduct of business, must successfully complete the CSULB Defensive Driving class presented by the University Police Department. Employees who use his or her own vehicle in the conduct of business must maintain a valid driver's license, and proof of adequate insurance coverage.

510 EMERGENCY CLOSING

Emergency conditions, such as severe weather, fire, flood, or earthquake, can disrupt operations and interfere with work schedules, as well as endanger employees' well-being. These extreme circumstances may require the closing of the work facility.

When operations are closed due to an emergency, the time off from scheduled work will be paid for employees in FTR, PTR, and SHR categories. An employee who fails to report for work when operations are not closed, will not be paid for time off.

580 EMPLOYEE IDENTIFICATION CARDS

Employees within the following categories are eligible for an employee identification card:

At his/her sole discretion, the Foundation Director of Human Resources may waive the employee responsibility for a business-related citation.

601 LEAVE OF ABSENCE

General Information - In accordance with the guidelines set forth in this policy, the Foundation will provide unpaid leaves of absence to eligible employees. The types of leaves of absence available are described below. Although in each case the leave time is unpaid, employees may elect to use any accrued vacation and/or OPA as compensation during leave periods. Each type of leave has a defined maximum length. In no case may a leave of absence be approved beyond the period for which the position of the requesting employee is funded. Leaves of absence which have been approved for a specified period of time may be modified by the Director of Human Resources should funding or operating conditions warrant. To the extent possible the requesting employee will be returned to the same position they occupied at the time the leave began. In the event that operating conditions preclude a position from remaining vacant, the requesting

CSULB Foundation Employee Handbook

For further information about Leaves of Absence, employees should contact a Foundation Human Resources representative. Notice Requirements - Employees requesting a Leave of Absence (of any type) must provide (where feasible) at least thirty (30) days advance written notice to their Project Director and the Human Resources Department. Employees will be responsible for continuing any prevailing employee contributions in effect during the period of the leave. For all other types of leave, the employer contribution for insurance benefits shall cease at the end of the month in which the leave begins. Accruals of other benefit calculations, such as vacation, sick leave, or holiday benefits, will be suspended during the leave and will resume upon return to active employment. Employer contributions to the Employee Pension Plan will continue only while the employee is receiving compensation (including vacation and OPA) from the Foundation.

The employee classifications eligible for leave consideration include:

- Full-time Regular (FTR)
- Part-time Regular (PTR)
- Short Hour Regular (SHR)

For purposes of eligibility determination, employees within these categories shall only be considered eligible once they have completed twelve (12) months of service with the Foundation, and who have worked at least 1,250 hours during the twelve (12) months immediately preceding the date of the leave.

CSULB Foundation Employee Handbook

Employees are entitled to a total of twelve (12) workweeks of FML leave during any twelve (12) month period. Where a husband and wife are both employed by the Foundation, the aggregate leave to which both are entitled may be limited to twelve (12) workweeks in any twelve (12) month period, if the leave is taken by reason of the birth or placement of a child with the employee, or to care for a parent or child with a serious health condition.

Certification - When the FML is taken for medical reasons, the Foundation will require the employee to provide a certification from the health care provider of the person requiring care, whether it be the employee or the employee's spouse, child, or parent. The certification shall be sufficient if it states:

- (1) The date on which the serious health condition commenced;
- (2) The probable duration of the condition;
- (3) The appropriate medical facts within the knowledge of the health care provider regarding the condition;
- (4) A statement that the eligible employee is needed to care for the spouse, child, or parent and an estimate of the amount of time that the employee is needed to care for the spouse, child, or parent or a statement that the employee is unable to perform the functions of their position.

Subsequent recertification during an approved leave may be required. Employees whose leave was occasioned by their own serious health condition will be required to submit a medical certification that the employee is able to return to work prior to

To the extent possible, the Foundation will provide a Personal Leave of Absence to eligible employees who wish to take time off from work duties to fulfill personal obligations. Employees may request Personal Leave only after having completed 180 days of continuous service in a FTR, SHR, or PTR eligible employment classification. Anyone engaging in such acts will be subject to corrective action, up to and including immediate termination, and may also be personally subject to other civil or criminal liabilities.

The Foundation has formed a management team to implement and monitor policies dealing with the security of the workplace. This team consists of the Foundation Executive Director, Director of Human Resources, and Director of Information Systems and Technologies. The team will utilize the services of the Foundation Employee Assistance Counselor as needed.

Violent behavior includes, but is not limited to:

- The actual or implied threat of harm to an individual, group or individuals, or relatives of those individuals.

702 DRUG AND ALCOHOL USE

In accordance with the Drug-Free Workplace Act of 1988 ("DFWA"), the California State University, Long Beach Foundation has established the following policy:

Due to the prevalent use of illegal drugs in the United States and the hazards they pose in the workplace, not only to the abuser but to the general population as well, the Foundation strictly prohibits the manufacture, sale, purchase, offer to sell or purchase, distribution, use, dispensation or possession of illegal drugs in the workplace. Physician-prescribed medications may be used by employees, provided the drugs do not adversely affect job performance or the safety of the employee or other individuals in the workplace.

It is the responsibility of any Foundation employee convicted of a criminal drug offense occurring in the workplace to notify the Foundation Human Resources Department within five (5) calendar days of conviction. Action may be taken against any Foundation employee convicted of a criminal drug offense occurring in the workplace. Appropriate action may include discipline, up to and including termination, and/or the requirement of satisfactory participation in a drug treatment program as deemed necessary by the Foundation Director of Human Resources.

To further enhance this effort, a drug-free awareness program has been established to inform Foundation employees of the dangers of drug abuse in the workplace, and the availability of drug counseling and rehabilitation programs. This program is designed to assist all Foundation employees. Any employee who wishes further information should contact the Foundation Human Resources Department.

703 UNLAWFUL HARASSMENT

The Foundation must take all reasonable steps to prevent discrimination and harassment. Sexual harassment in employment violates Foundation policy and is prohibited under Title VII of the federal Civil Rights Act and the California Fair Employment and Housing Act.

CSULB Foundation Employee Handbook

Sexual Harassment Defined

Federal Law defines sexual harassment as unwanted sexual advances, requests for sexual favors or visual, verbal or physical conduct of a sexual nature when: (1) submission to such conduct is made a term or condition of employment; or (2) submission to or rejection of such conduct is used as basis for employment decisions affecting the individual; or (3) such conduct has the purpose or effect of unreasonably interfering with an employee's work performance or creating an intimidating, hostile or offensive working environment.

California law defines sexual harassment as unwanted sexual advances or visual, verbal or physical conduct of a sexual nature. This definition includes many forms of offensive behavior. The following is a partial list of behavior considered offensive:

- Unwanted sexual advances
- Offering employment benefits in exchange for sexual favors
- Making or threatening reprisals after a negative response to sexual advances
- Visual conduct: leering, making sexual gestures, displaying of sexually suggestive objects or pictures, cartoons or posters.
- Verbal conduct: making or using derogatory comments, epithets, slurs, sexually explicit jokes, comments about an employee's body or dress.
- Verbal sexual advances or propositions.
- Verbal abuse of a sexual nature, graphic verbal commentary about an individual's body, sexually degrading words to describe an individual, suggestive or obscene letters, notes or invitations.
- Physical conduct: touching, assault, impeding or blocking movements.

It is unlawful for any employee to sexually harass females or males. Sexual harassment on the job is unlawful whether it involves co-worker harassment, harassment by a supervisor or manager, or by persons doing business with or for the Foundation.

Prevent Sexual Harassment

A program to eliminate sexual harassment from the workplace is not only required by law but is the most practical way to prevent incidents from occurring, or to avoid or limit damages if harassment should occur despite preventive efforts.

The Foundation's Complaint Procedure

The Foundation's complaint procedure provides for an immediate, thorough and objective investigation of any sexual harassment claim, appropriate disciplinary action against one found

CSULB Foundation Employee Handbook

to have engaged in prohibited sexual harassment, and appropriate remedies to any victim of harassment.

Employees who believe they have been sexually harassed on the job, including harassment by persons doing business with or for the Foundation should provide a written or verbal complaint to Director of Human Resources or Executive Director of the Foundation as soon as possible. The complaint should include details of the incident(s), names of individuals involved, and the names of any witnesses. Supervisors and managers must immediately refer all harassment complaints to the Director of Human Resources or Executive Director of the Foundation.

All incidents of sexual harassment that are reported must be investigated. The Director of Human Resources or the Executive Director of the Foundation will immediately undertake or direct an effective, thorough and objective investigation of the harassment allegations. The investigation will be completed and a determination regarding the alleged harassment will communicate to the employee(s) who complained and the accused harasser(s). If the Foundation determines that sexual harassment has occurred, the Foundation will take effective remedial action commensurate with the circumstances. Appropriate action will also be taken to deter any future harassment. If a complaint of sexual harassment is substantiated, appropriate disciplinary action, up to and including discharge, will be applied. Whatever action is taken against the harasser will be communicated to the employee who complained, and the Foundation will take appropriate action to remedy any loss to the employee resulting from the sexual harassment.

Protection Against Retaliation

The Foundation's policy and California law prohibit retaliation against any employee by another employee or by the Foundation for using the complaint procedure or for filing, testifying, assisting or participating in any manner in any investigation, proceeding or hearing conducted by a federal or state enforcement agency. Prohibited retaliation to the whistle-blower includes, but is not limited to, demotion, suspension, failure to hire or consider for hire, failure to give equal consideration in making employment decisions, failure to make employment recommendations impartially, adversely affecting working conditions or otherwise denying any employment benefits.

No harassment will knowingly be permitted, and the Foundation will not knowingly permit any retaliation against any employee who complains of sexual harassment or who participates in an investigation. Foundation policy and California law prohibit retaliation against any employee who opposes sexual harassment. Opposition to sexual harassment includes, but is not limited to: seeking advice or assisting or advising any person in seeking advice of an enforcement agency regardless of whether a complaint is filed or, if filed, substantiated; opposing employment practices that an employee reasonably believes to be unlawful; participating in an activity perceived to be opposition to discrimination by an employer covered by the law; or contacting, communicating with or participating in any federal, state, or local human rights or civil rights agency proceedings.

CSULB Foundation Employee Handbook

Any report of retaliation by the one accused of harassment, or by co-workers, supervisors or managers, will also be immediately, effectively and thoroughly investigated in accordance with the Foundation's investigation procedures outlined above. If a complaint of retaliation is substantiated, appropriate disciplinary action, up to and including discharge, will be taken.

Liability For Sexual Harassment

Any employee of the Foundation whether co-workers, supervisor or manager, who is found to have engaged in unlawful sexual harassment is subject to disciplinary action up to and including discharge from employment. An employee who engages in sexual harassment, including any manager who knew about the harassment and took no action to stop it, may be held personally liable for monetary damages. The Foundation will not pay damages assessed personally against any employee.

Additional Enforcement Information

In addition to the Foundation internal complaint procedure, employees should also be aware that the federal Equal Employment Opportunity Commission (EEOC) and the California Department of Fair Employment and Housing (DFEH) investigate and prosecute complaints of sexual harassment in employment. Employees who believe that they have been sexually harassed may file a complaint with the EEOC within 300 days of the harassment or with the DFEH within one year of the harassment. Both the EEOC and the DFEH serve as neutral fact-finders and attempt to help the parties voluntarily resolve disputes.

If the EEOC finds a complaint is justified, it may bring a lawsuit in federal court seeking an order to prevent further unlawful activity, as well as orders to pay large fines and damages, and remedies such as hiring, reinstatement, backpay, promotion and changes in the employer's policies and/or practices. If the DFEH finds evidence of sexual harassment, and settlement efforts fail, the DFEH may file formal accusations against the employer and the harasser. The accusation will lead either to a public hearing before the Fair Employment and Housing Commission or a lawsuit on the complainant's behalf by the DFEH. If the Commission finds that harassment occurred, it can order remedies, including damages and/or finds from each employer and harasser charged. In addition, the Commission may order hiring or reinstatement, back pay, promotions and changes in the policies or practices of the involved employer. A court may order unlimited damages.

Other Types of Unlawful Harassment

In addition to sexual harassment, the Foundation's policy prohibits all types of harassment whether are based on an employee's race, ethnicity, age, physical or mental disability, sexual orientation or any other basis prohibited by federal, state or local law. All such harassment is prohibited. The policies and procedures described above apply to all types of unlawful harassment and an employee should feel free, without fear of retaliation, to follow the procedures described if he or she believes unlawfully harassment has occurred.

704 ATTENDANCE AND PUNCTUALITY

To maintain a safe and productive work environment, the Foundation expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on the employer. In the rare instance when an employee cannot avoid being late to work or is unable to work as scheduled, he or she must notify his/her supervisor prior to the anticipated tardiness or absence, or within two hours of his/her scheduled reporting time when advance notice is impossible.

Poor attendance and excessive tardiness are disruptive. Either may lead to disciplinary action, including termination of employment.

705 PERSONAL APPEARANCE

Dress, grooming, and personal cleanliness standards contribute to the morale of all employees and affect the business image we present.

CSULB Foundation Employee Handbook

During business hours, employees are expected to present a clean and neat appearance and to dress according to the requirements of their positions. Employees who appear for work inappropriately dressed will be sent home and directed to return to work in proper attire. Under such circumstances, employees will not be compensated for the time away from work.

Consult your supervisor or department head if you have questions as to what constitutes appropriate attire.
