

CALIFORNIA STATE UNIVERSITY, LONG BEACH RESEARCH FOUNDATION

MEMORANDUM

Code: 14 - 02

DATE: December 2, 2013
TO: Research Foundation Employees
FROM: John Taylor, Payroll Manager 
SUBJECT: **Year End Information and 2014 Wage Bases & Tax Rates**

***** Your 2013 W-2 will be mailed to your address on file no later than January 31, 2014 Social Security Information**

Social Security Information

Please verify your name and address on your most recent pay stub. Also, please compare your name on your pay stub with your name on your current Social Security card. The two names must match exactly. If your name has recently changed, we will continue using your old name until you complete a "Name Change Form" and provide sufficient proof. Using a new name without updating Social Security Administration's (SSA) records may prevent the correct posting of your Medicare earnings. You may contact the SSA at (800) 772-1213 or www.ssa.gov for Form SS-5, Application for a Social Security Card. Please submit an Address and I or Name Change Form, if necessary. **Address changes received by December 13, 2013 will be updated prior to year end.**

Form W-4, Employee's Withholding Allowance Certificate, (Federal Income Taxes)

Now is the time to verify withholding allowances on Forms W-4 and/or DE-4. Did you marry or divorce, gain or lose a dependent, or have major changes in your family income? If you answered "yes", you may need to file a new 2014 Form W-4. Also, a Form W-4 in which an employee is claiming exemption from withholding is valid for only one calendar year ending December 31" each year. **If you have claimed exempt status** for federal income tax withholding on your 2013 W-4, you must file a new W-4 for 2014 by February 15, 2014. Effective February 16, 2011 employees who claimed Exempt in 2013 but have not submitted a 2014 W-4 Form will have federal income taxes withheld as if they are single, with zero withholding allowances regardless of actual marital status or number of dependents. W-4 Forms that do not claim exemption from federal income tax withholding remain valid until a new W-4 Form is received by the Research Foundation.

Form W-5, Earned Income Credit Advance Payment Certificate

You may be eligible to receive the Earned Income Tax Credit (EITC) from the Federal Government depending on your annual earnings. The EITC is a refundable Federal Income Tax Credit for low-income working individuals and families. The EITC has no effect on certain welfare benefits. In most cases, EITC payments will not be used to determine eligibility for payments to provide temporary assistance for needy families, Medicaid, supplemental security income, food stamps or low-income housing. Even if you do not owe federal taxes, you must file a tax return to receive the EITC. Be sure to fill out the EITC Form in the Federal income tax return booklet. For information regarding your eligibility to receive the EITC, including information on how to obtain their Notice 797 or Form W-5, or any other necessary form and instructions, contact the Internal Revenue Service by calling 1-800-829-3676 or through its web site at www.irs.gov.
